

This Week's Learning

Week Commencing Monday 21st September 2026

Messages	We have seen a big change in the children over the last week, they are certainly feeling much more settled and coming out of their shells. It's been wonderful seeing their little personalities shining through. We have been spending most of our time playing with the children and getting to know them. The short carpet sessions we have done have gone well, the children are so eager to learn. I thought I would share with you our 'Class Story' that we recite together every morning: <i>"When we come to school we have rules that we need to follow Our school rules are: Be Kind, Be Respectful and Be Safe We are responsible for keeping ourselves and those around us safe We will then feel happy and can learn at our best This is good for me, good for you, good for everyone."</i> A huge well done to our Star Pupils for last week: Tommy and Bailee! 
Maths	This week we will begin our Maths lessons. These will be short, 5-10 minute carpet sessions (that will gradually increase over the course of the year), followed by an 'invitation to play' in child initiated time. There will be activities set up that link to our learning that day that the children can participate in at their own pace. We will start with a week on Subitising. Subitising is a word your children will become very familiar with over the year, it simply means 'knowing how many there are without counting' when looking at a quantity of objects or pictures. We will also be showing numbers using our fingers and saying number names when describing quantities.
Phonics	This week we will learn the sounds I, N, M & D. We will also begin decoding simple CVC (consonant, vowel, consonant) words using the sounds we learnt last week. E.g. sat, pat, tap.
Reading	Coming Soon...
Drawing Club	Coming Soon...
RSHE	This term our topic in RSHE is 'Being Me in My World' and this week's focus is 'Who...Me?', the children will discuss what it means to be similar and different and begin

	to understand how it feels to belong.	
Book of the Week	This week our book is 'You Choose' by Nick Sharratt. This is a wonderfully colourful book that allows the children to decide what they would eat, wear, travel in etc. in their dream world. We will discuss celebrating differences and work on turn taking when speaking in a group.
